

5th June 2020

Dear Waltham Forest Schools,

RSE package in conjunction with 1decision and Waltham Forest Education services.

Training:

As you will know we were going to be offering you face to face training focused on the new relationship and health education framework due to launch in September 2020. With the current health situation worldwide these face to face events have not been possible. We are now incredibly pleased to announce that this training will be brought to you virtually on **Monday 20th July 2020**. This comprehensive, not to be missed, training event with 4.5 hours live content and 2.5 – 3 hours prerecorded information is brought to you by specialist in their fields and with support from local Waltham Forest representatives.

So that you get the most out of this bespoke training event we need you to register by responding to this email and to let us know an email address where you may receive your training materials.

Parent Consultation:

We are aware that many schools have not had the opportunity to provide a parent / carer consultation for the new curriculum launching in September 2020. This remains important and is an aspect that all schools should seek to address. Here at 1decision we are supporting schools in this crucial aspect by offering a digital survey questionnaire to collate responses and views from parents which will help steer your policy creation and planning. If you would like us to create a survey on your behalf which you can share via your school's communication system, please contact:

tommy@1decision.co.uk

Kind regards

Sarah Stevens PGd, BSc (Hons), NPQH, SENDCO, MCCT
