Part of Whitefield Academy Trust

Meet the Early Years Inspectors

Find out about our Foundation Degree in Early Years and ask questions about hot topics in Early Years inspections.

Clair Stockings and Jemma Hudson – two of the tutors on our Early Years Foundation Degree, who are also Early Years inspectors will be talking about:

- what recent changes to the Early Years Inspection Framework mean for settings
- what inspectors are looking for when they talk about 'Behaviour and Attitudes'
- what inspectors mean by 'cultural capital'
- the benefits of taking an Early Years Foundation Degree.

December 5th 5pm – 7pm

at Whitefield Research & Development Centre

Study at Whitefield while you work

**Kingston
University
London**

Jointly run by Kingston University and Whitefield Academy Trust, this foundation degree offers the ideal combination of study and work.

Apply now to start this September

- Do you work with early years children for at least 16 hours a week?
- Do you have a relevant level 3 qualification?
- Would you like to start towards a full BA (Hons) while continuing to work?
