Dear Parent,

I hope that all is well with you and your families.

I am writing to let you know that you are now able to enrol your child in a place at the free Waltham Forest Holiday Activity and Food Programme which will be open over the school winter holiday period.

This scheme provides **free** enjoyable activities and nutritious meals for primary and secondary school aged children who are in receipt of benefit related free school meals. It is being delivered by Waltham Forest through funding provided by the government's expanded Holiday Activities and Food (HAF) programme.

Children will be able to access a wide range of sessions throughout the winter holidays, at no cost to you. The sessions will include a variety of fun activities, including attending a panto, winter cooking classes, film and magic day at Fellowship square and other exciting opportunities to learn and develop skills, alongside a nutritious meal each day.

To book a place and find out more, please visit www.walthamforest.gov.uk/holidays

If you have any queries regarding the holiday activity programme, please email wfholidayactivityprogramme@walthamforest.gov.uk or call 0208 496 6341

I do hope that your child enjoys these activities and I wish you all a peaceful and happy winter period with your families and a Merry Christmas to all those who are celebrating.

Kind regards

David Kilgallon

Director of Learning & Systems Leadership
