

Training Guidance for Curricular Goals

- You will need a copy of Development Matters
- **On slide 5**, (7 minutes, 22 seconds) there are some articles for suggested reading. These can be accessed in the accompanying PDF entitled Suggested Reading
- **On slide 6**, (12 minutes, 50 seconds) there is a technical fault with the film not able to play in the webinar. At this point in the webinar please play the film using the link entitled '[Top questions to ask your self when considering your curriculum](#)'. This will take you to the video via **YouTube**,

You will then need to forward the webinar on to 31.30 minutes to continue to the following part of the training.
