## Section 1. Funding for Providers during April 2023 - March 2024

This section covers how much Providers get paid for the FEEE hours that they provide to eligible children.

### 1.1 Early Years Single Funding Formula (EYSFF) – 3 and 4 year olds

- 1.1.1 The EYSFF is agreed by Schools Forum and is the formula used by the Local Authority to pay contracted providers for the FEEE places that they provide to eligible children. This EYSFF has been devised and agreed in line with the DfE EYNFF guidance and in consultation with approved<sup>2</sup> FEEE Providers. Full details of how the EYSFF is calculated have been provided below to allow providers to fully understand and check the formula, should they wish to. Those providers who do not require the full details can proceed directly to **Section 2** which outlines the process for claiming EYSFF payments and **Appendix C: [Hourly rate calculation process for 3&4 year old FEEE places by school/setting](#)**<sup>3</sup> which will provide details of the hourly rate at which payments will be paid.
- 1.1.2 The purpose of the EYSFF is to arrive at an hourly rate at which Providers will be paid for each eligible child provided a place and submitted by headcount return on the EY Provider Portal to the LA between 1<sup>st</sup> April 2023 and 31<sup>st</sup> March 2024.
- 1.1.3 The DfE require indicative budgets to be made available to providers in March each year for the next financial year (e.g. in March 2023 for 2023-24). The January 2022 census week data has been used as the basis to produce the **indicative hours** of attendance on which the indicative 2023-24 budget shares have been calculated.
- 1.1.4 **An hourly rate and predicted budget was produced and approved by Schools Forum in February 2023.** This was the hourly rate at which settings would have been paid for actual hours delivered, to eligible children, between 1<sup>st</sup> April 2023 and 31<sup>st</sup> March 2024. **However subsequent to the budget approved by School Forum in February 2023 in the 2023 Spring Budget the Government announced additional funding for the existing early years entitlements for disadvantaged 2-year-old children and 3 and 4-year-old children for the 2023 to 2024 financial year.** This was referred to as early years supplementary grant 2023 to 2024<sup>4</sup>. This additional funding became effective on 1<sup>st</sup> September 2023 and is on top of the previous settlements for 2023-24 which was approved by Schools Forum in February 2023. **In line with this guidance sets out two hourly rates, one for the period between 1<sup>st</sup> April 2023 and 31<sup>st</sup> August 2023 and one for the period between 1<sup>st</sup> September 2023 and 31<sup>st</sup> March 2024.**
- 1.1.5 These predicted hours in **Appendices F&G [Amalgamated universal and extended 3&4 yr old FEEE places. Estimated number of places and annual payment by](#)**

<sup>2</sup> Approved and having a current contract in place with the LA as a FEEE Provider at the time of the consultation

<sup>3</sup> Schools Forum Report dated 8<sup>th</sup> February 2023

<sup>4</sup> <https://www.gov.uk/government/publications/early-years-supplementary-grant-2023-to-2024/early-years-supplementary-grant-2023-to-2024-methodology#:~:text=For%202023%20to%202024%20financial,with%20the%20EYSG%20supplementary%20funding.>

[school/settings](#)<sup>5</sup> will be multiplied by the overall hourly rate for that provider. The overall hourly rate is the combined hourly rates for base rate and deprivation supplement. This makes it easy for a provider to calculate income based on actual hours recorded and adjust expenditure, where necessary.

- 1.1.6 Settings will be provided with details of their monthly payment schedule information at the beginning of the financial year. This will be based on the predicted number of hours in each term multiplied by the hourly rate divided by the number of months in the term. For example, in the Spring Term 2024, Provider A has 24,000 predicted hours and an hourly rate of £5.30. This would mean that payments due amount to £127,200. Therefore, the monthly payment for the spring term would be £42,400 for January, February and March.
- 1.1.7 In order to improve the accuracy, efficiency and timeliness of predicted and actual delivered hours, providers are required to complete a statutory January Census return and enter the child's data onto the Early Years Provider Portal at the point of admission/commencement of their place as well as regularly updating child records on the Portal when changes in take-up/attendance occur. This will allow payments to be based on accurate attendance information and prevent significant over/under payments. **The Census is the mechanism by which the DfE will calculate the level of Early Years DSG funding that LA receives. Failure to submit accurate Census numbers can result in a significant reduction in the Early Years DSG funding received by the LBWF. The LA therefore reserve the right to refuse to make EYSFF payments to providers who fail to complete and return their Early Years/Schools Census<sup>6</sup> to the LA by the deadline date.**
- 1.1.8 This process (in 1.1.7) will have the following positive effects:
- Providers will receive actual monies due to them more quickly and be able to calculate income/cash flow more accurately
  - The Local Authority will have better information available to monitor spend patterns for individual providers and across all providers as a whole.
  - Maximise the EYDSG income that the LA receives, in order to fund providers of FEEE places
- 1.1.9 The Schools and Early Years Finance (England) Regulations, require Local Authorities to take into account in its formula the predicted total number of hours of attendance of pupils, using as a basis for the calculation the most recent data available about the actual numbers of pupils. When further information about hours of attendance becomes available from the DfE, a local authority must review the budget share and re-profile the budget share or amount allocated, as the case may be. January Census data and headcount data will be used to re-determine monthly budget share payments.

---

<sup>5</sup> Schools Forum Report dated 8<sup>th</sup> February 2023

<sup>6</sup> Academies submit their Census information directly to the DfE, but must submit a copy of the census information submitted to the DfE to the LBWF also.

If there is **evidence** that there will be a variance between the actual numbers of hours delivered during a term/year, the Providers predicted budgeted hours and monthly payment schedules will be adjusted to reflect this. Providers are encouraged to analyse their actual take up on a Regular basis to **ensure their predicted budgets are updated to include all the FEEE funded children in their setting**. This will ensure that payments can be adjusted as soon as possible and avoid significant over/under payments.

1.1.10 At the end of each term, there will be an adjustment for the difference in forecast and actual hours of registered attendance based on an updated pupil register on Early Years Provider Portal. For example, the actual number of hours of registered attendance at Provider A (as specified in 1.1.6) in the spring term 2024 was 26,000 which means they should have received £137,800 (26,000 x £5.30 per hour). Therefore, an additional payment of £10,600 will be made to Provider A as soon as possible after adjustments are calculated.

1.1.11 **Where the additional payment is in excess of £5,000 in a term**, an audit of attendance registers and parental declarations will be carried out by the LA to evidence the increase in FEEE hours provided before the additional payment is made.

1.1.12 There are three elements to the funding formula:

- Universal base rate (see 1.4);
- Deprivation supplement (see 1.5)
- Quality supplement (see 1.6)

## **1.2 Sufficiency/Place development funding**

1.2.1 In addition, a one-off sufficiency supplement will be paid for each new FEEE place for 2 year old children who meets the vulnerable/disadvantaged child eligibility criteria created in an area where the Local Authority has an unmet demand for places.<sup>7</sup>

## **1.3 Start Date for 3 year old FEEE eligibility**

1.3.1 The DfE funds Local Authorities for 3 year olds to take up their FEEE entitlement from the term after they turn 3

---

<sup>7</sup> New places are defined as, an Early Years Ofsted registration number for a premises that has not previously had an Ofsted registration number or an existing provider where they have extended their provision by building/using new space that does not relate to their current registration and would not have previously been used to provide Early Years Ofsted registered provision.

## 1.4 Universal Base Rate

- 1.4.1 New requirements on how local authorities are able to allocate funding to providers were introduced from 2017-18 by the DfE to ensure funding is fairly distributed to providers. Included in this was the expectation that a local universal base rate for all types of provider would be set.
- 1.4.2 The only exception to this is the MNS supplementary funding which is only paid to maintained nursery schools, which is set at an additional £3.80 per hour in April – August 2023 and £4.01 in September 2023 – August 2024.
- 1.4.3 In the 2023 Spring Budget the Government announced additional funding for the existing early years entitlements for disadvantaged 2-year-old children and 3 and 4-year-old children for the 2023 to 2024 financial year. This was referred to as early years supplementary grant 2023 to 2024<sup>8</sup>. This additional funding became effective on 1<sup>st</sup> September 2023 and is on top of the previous settlements for 2023-24 which was approved by Schools Forum in February 2023.
- 1.4.4 The table below illustrates the universal base rates for 3 and 4 year olds for 23-24.

Universal Base Rate	1 April 23 to 31 <sup>st</sup> August 23
3 year old	Child eligible from term after child's 3 <sup>rd</sup> birthday
Base Funding rate: PVI and School Nursery Classes (including MNS's)	£5.14 per hour
Maintained Nursery Schools Only (Paid as a lump sum and split equally across all 3 MNS's in LBWF)	£3.80 per hour

Universal Base Rate	1 September 23 to 31 <sup>st</sup> March 24
3 year old	Child eligible from term after child's 3 <sup>rd</sup> birthday
Base Funding rate: PVI and School Nursery Classes (including MNS's)	£5.14 per hour + £0.06 EYSG (Early Years Supplementary Grant) = £5.20 per hour
Maintained Nursery Schools Only (Paid as a lump sum and split equally across all 3 MNS's in LBWF)	£3.80 + £0.21 = £4.01 per hour

<sup>8</sup> <https://www.gov.uk/government/publications/early-years-supplementary-grant-2023-to-2024/early-years-supplementary-grant-2023-to-2024-methodology#:~:text=For%202023%20to%202024%20financial,with%20the%20EYSG%20supplementary%20funding.>

## 1.5 Deprivation Supplement

- 1.5.1 Deprivation is the only mandatory supplement outlined in the EYNFF guidance. At Schools Forum it was agreed that deprivation payments be made across IDACI bands 1-6, with a higher payment weighting to IDACI bands 4-6.
- 1.5.2 The table below illustrates the factors and rates that the deprivation supplement will be paid in respect of 3 and 4 year olds for 2023-24:

Deprivation (3&4 year olds only)	
Pupil lives in IDACI Band 1 (score 0.2 & 0.25)	£0.25 per hour
Pupil lives in IDACI Band 2 (score 0.25 and 0.3)	£0.50 per hour
Pupil lives in IDACI Band 3 (score 0.3 & 0.35)	£0.75 per hour
Pupil lives in IDACI Band 4 (score 0.35 & 0.4)	£1.50 per hour
Pupil lives in IDACI Band 5 (score 0.4 & 0.45)	£2.25 per hour
Pupil lives in IDACI Band 6 (score 0.5 +)	£2.70 per hour

- 1.5.3 The Local Authority uses IDACI data rather than entitlement to free school meals to measure deprivation. IDACI stands for Income Deprivation Affecting Children Index. This is based upon the post code address of eligible children and the likelihood (measured from 0 to 1.0) that the family will be income deprived.
- 1.5.4 Deprivation Supplement payments are based on children's postcode data submitted by settings as outlined 1.5.5.
- 1.5.5 A calculation was carried out to determine what % of all of the children on the Autumn 2022 census/headcount data in the IDACI bands 1 to 6. This is established by using the DfE's tool at: <http://imd-by-postcode.opendatacommunities.org/> Settings can use this tool and their Autumn 2022 Census/headcount data to calculate / check IDACI % and payments if they choose to. A detailed Step by Step guide on how to use the DfE's tool to calculate / check IDACI % can be found in the "User Guide" section of the FEEE Guidance for Provider page on the Hub at the bottom of the page under downloads using the following link: <https://thehub-beta.walthamforest.gov.uk/early-years-financial-regulations>
- 1.5.6 The additional deprivation supplement is based on children identified as living in IDACI bands 1 to 6, as per hourly rate outlined in 1.5.2, this supplement is in addition to the universal base rate outlined in 1.4.4 to produce the settings final total hourly rate outlined in **Appendix C: [Hourly rate calculation process for 3&4 year old FEEE places by school/setting](#)**<sup>9</sup>
- 1.5.7 New Providers where Deprivation Supplement information is not available (as they were not a FEEE approved provider at the time of the Early Years Autumn 22 Census/headcount), will be funded using the average proportions of children

<sup>9</sup> School's Forum Report dated 8<sup>th</sup> February 2023

falling into each IDACI band of all of the other providers operating in the same ward (see Ward table below).

1.5.8 Autumn 22 Census/headcount data is used as the basis for calculating an annual / hourly deprivation budget for your school/setting. Deprivation funding is **NOT child specific** and can be used to support any disadvantaged, vulnerable or SEND child / children attending your school/setting throughout the year to close the gap between the attainment of the most disadvantaged children and their peers.

The average IDACI hourly rate payments for each ward within the Borough are:

Ward	Average IDACI hourly rate
Cann Hall	£0.24
Cathall	£0.18
Chapel End	£0.19
Chingford Green	£0.12
Endlebury	£0.20
Forest	£0.14
Grove Green	£0.08
Hale End & Highams Park South	£0.23
Hatch Lane & Highams	£0.20
High Street	£0.25
Higham Hill	£0.29
Hoe Street	£0.14
Larkswood	£0.16
Lea Bridge	£0.23
Leyton	£0.21
Leytonstone	£0.07
Markhouse	£0.31
St James	£0.16
Upper Walthamstow	£0.08
Valley	£0.21
William Morris	£0.12
Wood Street	£0.12

1.5.9 Ward averages will also be used for childminders due to the small numbers of children provided a place by them. The childminder total hourly rate by ward is outlined in the table below.

Ward	Childminders Hourly Rates Based on Ward 23-24
Cann Hall	£5.38
Cathall	£5.32
Chapel End	£5.33
Chingford Green	£5.26
Endlebury	£5.34
Forest	£5.28
Grove Green	£5.22
Hale End & Highams Park South	£5.37
Hatch Lane & Highams	£5.34
High Street	£5.39
Higham Hill	£5.43
Hoe Street	£5.28
Larkswood	£5.30

Lea Bridge	£5.37
Leyton	£5.35
Leytonstone	£5.21
Markhouse	£5.45
St James	£5.30
Upper Walthamstow	£5.22
Valley	£5.35
William Morris	£5.26
Wood Street	£5.26

Full details regarding IDACI band payment calculations are outlined in Appendix D [Deprivation Supplement payment calculations \(incorporated in total hourly rate in Appendix C\)](#)<sup>10</sup>

## 1.6 Quality Supplement

- 1.6.1 **The Early Years Systems Support (EYSS)** Project is a sector led initiative to support the continuous improvement of Early Education across Waltham Forest by growing capacity within the early years sector to support itself, and disseminating the wealth of knowledge and expertise that already exists within the Borough to improve the quality of early years provision even further.

For more information please refer to the EYSS Hub page at:

<https://thehub-beta.walthamforest.gov.uk/earlyyearssystemsupport>

- 1.6.2 **Additional quality supplement** – The Teachers Pay & Pension Grant (TPPG), that was previously paid separately to Maintained schools, Maintained Nursery Schools and Academies has been rolled into the total funding allocation for 3&4 year olds, which has resulted in an increase to the overall budget of £438,979. This additional funding will be paid as a separate Quality supplement during 2023-24 to Maintained schools, Maintained Nursery Schools and Academies who received TPPG payments during 2022-23, and will be paid in line with the funding allocated to each school during that period

## 1.7 Early Years Pupil Premium

- 1.7.1 Local Authorities have been required since 1st April 2015 to pay Early Years Pupil Premium (EYPP) to providers of the free entitlement. Eligible children aged 3 or 4 include those whose parents are in receipt of qualifying benefits for free school meals or who are looked after or who have been adopted from care or who have left care under a special guardianship order.
- 1.7.2 EYPP payments will be made in line with DFE guidance. An EYPP eligibility check should not be done more than a term in advance of the child taking up their free entitlement, in case the family's circumstances change. Once a provider starts

<sup>10</sup> Schools Forum Report dated 8<sup>th</sup> February 2023

receiving EYPP funding in respect of a particular child, they will not lose it while the child is taking up the early years free entitlement. Eligibility does not need to be rechecked.

- 1.7.3 The EYPP payments will be paid at £0.62 per hour (universal hours only) for each eligible child from 1<sup>st</sup> of April 2023 – 31<sup>st</sup> of August 2023. A new EYPP rate of £0.66 per hour (universal hours only) will be paid for each eligible child from 1<sup>st</sup> of September 2023 – 31<sup>st</sup> of March 2024. The EYPP is child specific and will be paid in addition to the EYSFF hourly rate for eligible pupils included on the Early Years Provider Portal. **Please note:** Providers will be required to provide details of how EYPP income has been used to support eligible children in line with DfE and Ofsted requirements.
- 1.7.4 To ensure providers receive their EYPP payments in a timely manner, we will make an interim payment mid-term. We will then reconcile your EYPP funding at the end of the term and any balancing payments will be made in the following term (in February for Autumn term, in May for Spring term and October for Summer term).
- 1.7.5 Children whose home address postcode has an IDACI score of 0.3 and above are most likely to be eligible for EYPP. Providers can use the [IDACI Checker](#) to help identify potentially EYPP eligible children as outlined in 1.5.5.
- 1.7.6 Providers should encourage parents to provide and record their NI numbers and date of birth at the point of registration in order to assess children for EYPP eligibility via the Early Years Provider Portal, as the portal is GDPR compliant and will securely store this data). A detailed Step by Step guide on how to assess children for EYPP eligibility can be found in the “User Guide” section on the Hub using the following link: <https://thehub-beta.walthamforest.gov.uk/early-years-provider-portal>

## 1.8 Start date for 2 year old FEEE eligibility

- 1.8.1 The DfE funds Local Authorities for 2 year olds to take up their FEEE entitlement from the term after they turn 2. For more details on eligibility for 2 year old funding please go to: <https://www.walthamforest.gov.uk/families-young-people-and-children/childcare-and-early-years/free-early-education-two-year-olds>

## 1.9 2 year old FEEE hourly rate

- 1.9.1 The table below illustrates the Total hourly rate for 2 year olds for 2023-24.

2 Year Old Total Hourly Rate (1 <sup>st</sup> of April 2023 – 31 <sup>st</sup> of August 2023)	Child eligible from term after child's 2 <sup>nd</sup> birthday
Base Funding rate: (£6.48 from DfE minus 5% deduction for LA centrally retained budget)	£6.15 per hour

2 Year Old Total Hourly Rate (1 <sup>st</sup> of September 2023 – 31 <sup>st</sup> of March 2024)	Child eligible from term after child's 2 <sup>nd</sup> birthday
Base Funding rate: £6.15 plus Early Years Supplementary Grant (EYSG) £2.11	£8.26 per hour

1.9.2 The hourly rate payable to the LA by the EYNFF for 2 year olds is £6.48, which reduces to £6.15 after permissible deductions are made by the LBWF (for the Local Authorities centrally retained budget).

1.9.3 Providers who deliver FEEE places to eligible 2 year olds will be paid by LBWF a rate of £6.15, which is equivalent to the rate that EYNFF funds the LBWF, after any deductions are made by the LA (for centrally retained). From 1<sup>st</sup> of September 2023, the rate will be £8.26 (£6.15 plus EYSG top-up of £2.11

## 1.10 Funding to support disadvantaged, vulnerable and SEND children

1.10.1 Deprivation funding can be used to support any vulnerable child attending your setting. Deprivation funding is NOT child specific and can be used to support any disadvantaged, vulnerable or SEND child attending your school/setting throughout the year to close the gap between the attainment of the most disadvantaged children and their peers. Full details regarding deprivation funding is outlined in 1.5.

1.10.2 Setting may also use early years pupil premium (EYPP) outlined in section 1.7 and Disability Access Fund (DAF) outlined in section 1.11 to fund additional costs incurred to support the needs of children with SEND.

1.10.3 Should deprivation, DAF and EYPP funding be insufficient to cover the additional cost of meeting the needs of a child with SEND, and their needs cannot be met through the provision of Ordinarily Available Practice requirements you can apply for additional funding from the [SEND Inclusion Fund](#)

## 1.11 Disability Access Fund (DAF) payments

1.11.1 3 and 4 year olds will be eligible for the DAF payment if they meet the following criteria:

- The child is in receipt of child disability living allowance and
- The child is eligible for and taking up a FEEE place

1.11.2 Providers delivering a place to a three- and four-year-olds eligible for DAF between 1<sup>st</sup> April 2023 and 31<sup>st</sup> August 2023 will be entitled to receive a one-off lump sum payment of £828 per annum. Any children that become eligible for DAF between 1<sup>st</sup> of September 2023 and 31<sup>st</sup> Mar 2024 will be paid at a rate of £881.00 per annum. Where children are still taking up their place and eligible for DAF, providers will receive a second payment one year later; that is, one year after they first received the DAF.

- 1.11.3 Children do not have to take up the full 570 hours of early education they are entitled to in order to receive the DAF. Children in receipt of the DAF will be eligible where they take-up any period of free entitlement.
- 1.11.4 The DAF is payable as a lump sum once a year per eligible child. If a child eligible for the DAF payment is splitting their free entitlement across two or more providers, the parent will be required to confirm in writing to the LA which school or setting they nominate as the main setting, who will receive DAF funding.
- 1.11.5 If a child receiving DAF moves from one setting to another within a year of the date they first received their DAF payment, the new setting is not eligible to receive DAF funding for this child before a period of 12 months has elapsed from the date of the last DAF payment to the previous provider. DAF funding received by the original setting will not be recouped.
- 1.11.6 In cases where a child who lives in one authority area attends a provider in a different local authority, the provider's local authority is responsible for funding the DAF for the child.

## **1.12 SEN inclusion Funding (for children NOT on an EHC Plan)**

- 1.12.1 SEN Inclusion funding is available to support children with SEND who are not on an EHC plan, but meet the eligibility criteria for a FEEE place. Details of the application process for SEND Inclusion funding can be found through the following link <https://thehub-beta.walthamforest.gov.uk/early-years-send-funding> or contact [EYSENDpanel@walthamforest.gov.uk](mailto:EYSENDpanel@walthamforest.gov.uk)
- 1.12.2 Details of payments made are set out on your remittance advice
- Ensure that key people such as your Senior Leadership Team, Managing Directors, Trustees, EYFS Leads, Managers & SENCO's are aware of the funding received, particularly those paid in respect of disadvantaged, vulnerable and SEND children so that you can
- ensure that funding is spent on the intended support and interventions and
  - evidence the impact that this funding is having on the outcomes for the children to which it relates during Ofsted inspections etc
- 1.12.3 The SEND inclusion Fund will accept applications to cover the costs of professional reports such as Education Psychology and Speech and Language assessments. Applications can also be made for additional hourly costs due to a reduced ratio – this must be supported by information which evidences the additional hours needed to support the child's additional needs.
- 1.12.4 Funding agreed by the SENIF panel will be detailed on the decision form including a start date, end date and review date. It is the provider's responsibility to make a SENIF review application on the review date before the end of funding if they wish the funding to continue.
- 1.12.5 SEN Inclusion Payments will be made monthly. Details of payments made are set out on your remittance advice.

## 1.13 Indicative Budget allocation calculations

1.13.1 The following appendices of the report to Schools Forum in February 2023<sup>11</sup> provide full details of the EYNFF:

- **Appendix C:** [Hourly rate calculation process for 3&4 year old FEEE places by school/setting](#)
- **Appendix D:** [Deprivation Supplement payment calculations \(incorporated in total hourly rate in Appendix C\)](#)
- **Appendix E:** [Hourly rates for 2 yr old FEEE places and estimated annual payment by school/setting](#)
- **Appendix F:** [Estimated number of places and annual payment by school/setting for 3&4 year olds \(universal entitlement\)](#)
- **Appendix G:** [Estimated number of places and annual payment by school/settings for 3&4 year olds \(extended 30 hr entitlement\)](#)
- **Appendices F & G:** [Amalgamated universal and extended 3&4 yr old FEEE places. Estimated number of places and annual payment by school/settings](#)

1.13.2 These appendices can also be found in the “FEEE Financial Guidance” section on the Hub through the following link: <https://thehub-beta.walthamforest.gov.uk/early-years-financial-guidance>

### Section 2

#### Claiming FEEE funding from LBWF

This section sets out how Providers should claim funding for the Free Early Education Entitlement that they deliver to eligible children in the borough.

## 2.1 Process for claiming EYSFF, SENIF & EYPP funding for FEEE places provided to eligible 2, 3 & 4 year old children

2.1.1 The Provider must remain:

- a maintained school; or
- a registered company with Companies House; or
- a registered Charity with the Charities Commission; or

<sup>11</sup> <https://thehub-beta.walthamforest.gov.uk/schools-forum>

- a sole trader/self-employed/partnership registered with Her Majesty's Revenue & Customs (HMRC)

**and** meet all of the associated deadlines and legal requirements of the registering body.

- 2.1.2 EYSFF funding is to be used **ONLY** to offset expenditure incurred in delivering the Free Early Education Entitlement (FEEE) to eligible children as defined in the most up to date statutory guidance as issued by the DfE.
- 2.1.3 The LA will make EYSFF payments to Providers to deliver the FEEE in line with section 1.
- 2.1.4 The LA will only make FEEE payments to Providers that have a current, signed **EYSFF PAYMENT TERMS AND CONDITIONS** agreement in place with the LA to deliver FEEE places.
- 2.1.5 The Provider **must** comply with the **EYSFF PAYMENT TERMS AND CONDITIONS** agreement requirements in order to be eligible for EYSFF funding.
- 2.1.6 The EYSFF Payment shall be paid into the main business bank account of the Ofsted registered organisation/person or the main bank account of the school. The Provider must satisfy the Council that robust and secure financial policies, procedures and accounting systems and practices are in place that meet Legal Requirements, FEEE Guidance, maintain an appropriate audit trail of all transactions and ensure that EYSFF payments are used solely for the purpose of delivering FEEE places.
- 2.1.7 It is a statutory requirement for the Provider to ensure that invoices and receipts are clear, transparent and itemised allowing parents to see that they have received their child's free entitlement completely free of charge and understand fees paid for additional hours or services.

For the period between 1<sup>st</sup> April 2023 and 31<sup>st</sup> August 2023, a parental declaration form **MUST** be fully completed and signed by the parent/carer for **ALL** children taking up their FEEE entitlement and uploaded to the child's record on the Early Years Provider Portal.

From 1<sup>st</sup> September 2023, there is no requirement for providers to complete a paper parental declaration form as we are currently working on developing a Digital version of the form. Once a digital form is in place, it is our expectation that all child-level records are maintained and stored securely ensuring that it's compliant with GDPR.

The information recorded in this parental declaration can form a useful basis for invoicing and receipt information provided to parents/carers. Example invoices can be found on the Hub using the following link: <https://thehub-beta.walthamforest.gov.uk/early-years-financial-regulations> under the "Downloads" section.

- 2.1.8 EYSFF is intended to deliver 15 or 30 hours a week of free, high quality, flexible childcare. It is not intended to cover the costs of meals, other consumables,

additional hours or optional activities. **Providers can charge for meals and snacks, consumables and optional activities as part of the free entitlement delivery, as long as parents are not required to pay as a condition of taking up their child's free entitlement place.** Where parents are unable or unwilling to pay for meals and consumables, providers who choose to offer the free entitlements are responsible for setting their own policy on how to respond, with options including allowing parents to supply their own meals or nappies or waiving or reducing the cost of meals and snacks. Where parents choose to purchase additional hours of provision or optional activities, this is a private matter between the provider and the parent.

- 2.1.9 Local authorities are responsible for ensuring that all eligible children can take up their free entitlement place completely free of charge and that providers' charging policies enable this.
- 2.1.10 **Providers should ensure that they are completely clear and transparent about which hours / sessions can be taken as free provision and this should be consistent for all parents taking up free hours. Providers should also ensure they have clear invoicing structure in place for parents.**
- 2.1.11 Providers should publish a statement of how they deliver the free entitlement and any additional charges for optional activities outside of the entitlement. Charges should be set out clearly for parents who pay for meals and/or optional activities. A Terms & Conditions Fees and Policy prompt document to assist providers can be found on the hub through the link <https://thehub-beta.walthamforest.gov.uk/early-years-financial-regulations> under the "Downloads" section.
- 2.1.12 Providers should not require parents to pay a registration fee as a condition of taking up their child's place where the child is only taking up their FEEE hours and not buying any additional hours or services.
- 2.1.13 Providers should ensure that, if they charge parents a deposit to secure their child's FEEE place, where the child is only taking up their FEEE hours and not buying any additional hours or services, the deposit is refunded in full to parents within a reasonable time scale. The LA deem a reasonable timescale for the return of any deposit to be the end of the term in which the child takes up their place.
- 2.1.14 The Provider **must** submit information/documentation requested by LA to evidence that EYSFF funding has been used to cover expenditure incurred in delivering the FEEE only.
- 2.1.15 **Reclaiming funding for absent children** – the LA will not penalise providers if children are booked to attend their FEEE entitlement but are absent for a short period, such as illness or a holiday of up to two weeks (in a rolling 12 month period) and no fees should be charged for absence related to the free entitlement during this time. The LA will, however, use discretion where a child's absence is recurring, or is for extended periods. Where this occurs, the **Provider should submit details of the dates of absence that they are requesting payment for as well as a copy of the parents written request for extended absence and the reason for this via email to [FEEEPvision@walthamforest.gov.uk](mailto:FEEEPvision@walthamforest.gov.uk).** The request for extended absence will be considered for exceptional circumstances only, such as significant or long-term illness of the child, significant or long term illness or death of the main carer, or a crisis which prevents attendance (e.g. social care or housing). **Payments will not be made for absences in excess of two weeks unless a written request has been submitted by the provider and written**

**approval has been given by the LBWF.** No retrospective requests for absence payments will be accepted.

2.1.16 Before reclaiming funding for absent children, the LA will consider factors such as closures due to pandemics or government guidance as well as whether Providers could fill places from their waiting list, or alternatively use them more flexibly, and whether the absence will impact on Providers' staffing levels.

2.1.17 Where a child leaves a setting and starts attending a new setting, the previous setting will be funded up to the last day that the child physically attended. This is irrespective of whether or not the child completed their notice period with the previous setting. Where a child is withdrawn from a setting, the 2 week rule will not apply as the LA is only funded once by DfE for each child and therefore, both settings cannot claim funding for the same period for the same child. The new setting will be funded from the first day the child starts to attend their setting. Where the Early Years Providers Portal identifies any children that are included on the headcount for more than 1 setting for the same period, both settings will be contacted to ascertain the last/first day. These dates will then be used for funding purposes.

2.1.18 It is our expectation that all parent/carers and child-level records are maintained and stored either digitally or in hardcopies ensuring that it's secured and compliant with GDPR. These should be retained for a recommended period of 6 years after the child leaves your setting. Child-level records, include: Attendance registers, Medication records, Parental Declaration forms, Complaints book, Contractual Documentation, LBWF data for funded Places and Daily diaries.

2.1.19 The Provider **must** keep records i.e. receipts, financial accounts etc. to show how the EYSFF funding is being used for. Records should be kept for a period of 6 years after the child leaves your setting, for SEN children it will be Date of Birth + 25 years followed by secure disposal; and make these records available to LA officers for inspection.

2.1.20 The Provider **must** agree to repay, on demand, any EYSFF payment that may have been made incorrectly due to administrative errors or changes in headcount figures. Clawbacks or balancing payments due to termly reconciliations will be deducted / paid by the end of the following term.

2.1.21 Providers are required to update attendance data via the Early Years Provider Portal to ensure payment accuracy, as this information will inform the predicted delivery hours for the month on which your monthly budget share payments are based. Any data updates in the 'Funding Details' tab should be done using Admission start and leaving dates in the Registration section of child records. A detailed step by step guide on how to make changes in the funding claims on the Early Years Provider Portal can be found in the "User guide section on the Hub page through the link <https://thehub-beta.walthamforest.gov.uk/early-years-provider-portal>

2.1.22 Payments will be made by the 18<sup>th</sup> of each calendar month.

**2.2 Universal entitlement of up to 15 hr per week for all 3& 4 year olds and eligible 2 year olds**

2.2.1 A maximum of 15 free hours per week over a minimum of 38 weeks can be provided in each 12 month period from the date at which the entitlement starts. This equates to a maximum of 570 hours per year. The entitlement can be ‘stretched’ over more than 38 weeks; however this will reduce the number of hours that can be provided each week. The table below outlines the max number of hours that will be paid for over a ‘stretched’ offer if a parent takes up their full entitlement:

Number of weeks per year	Hours per week (rounded to nearest 30 mins)	Total hours per annum
51.8 / 52*	11	570
51	11.18 (11hrs 11min)	570
50	11.4 (11hrs 24min)	570
48	11.88 (11hrs 53min)	570
38**	15	570

\* Full calendar year  
 \*\* Academic year minus 5 inset days

2.2.2 38 week based entitlement is comprised of 190 teaching/payable days per academic year and 5 inset days (2 Autumn, 2 Summer and 1 Spring) based on the LA published school Term dates: <https://walthamforest.gov.uk/content/school-term-and-holiday-dates>

Inset days used for payments for 2023-24 will follow the financial year and are set as follows:

- April 17 & 18<sup>th</sup> 2023 (Summer Inset Days)
- September 4<sup>th</sup> & 5<sup>th</sup> 2023 (Autumn inset days)
- January 8<sup>th</sup> 2024 (Spring inset day)

Should providers want to take their 5 Inset days on different dates to those above they must submit these in writing to [FEEEPvision@walthamforest.gov.uk](mailto:FEEEPvision@walthamforest.gov.uk) .

**2.3 Up to 30 hr per week entitlement for eligible 3&4 year olds**

2.3.1 Providers who meet the criteria to deliver places as outlined in the **EYSFF PAYMENT TERMS AND CONDITIONS** agreement will receive the hourly rate, outlined in **Appendix C: [Hourly rate calculation process for 3&4 year old FEEE places by school/setting](#)**<sup>12</sup> for every eligible child they provide with a place.

2.3.2 Details of the eligibility criteria for up to 30hrs per week FEEE for working parents can be found at: <https://www.walthamforest.gov.uk/families-young-people-and-children/childcare-and-early-years/free-early-education-three-and-four-year-olds/30-hours-free-childcare-working-parents>

<sup>12</sup> Schools Forum Report dated 8<sup>th</sup> February 2023

- 2.3.3 **Payments will not be made to providers who have failed to confirm that the unique reference number** provided to them by the parent/carer requesting the place is valid, and that they are entitled to a place. Regular checks will be carried out by LBWF to establish eligibility of children whose details are submitted by the Provider on their headcounts via the Early Years Provider Portal. Any payments made in respect of children who are not eligible as part of these checks will be deducted from the next available payment to the provider.
- 2.3.4 Providers must ensure that they have **obtained** and **validated** a HMRC valid unique reference number for all working parents wanting to take up to 30 hours FEEE per week which must be documented on the parental declaration form as well as the Early Years Provider Portal.
- 2.3.5 Providers must validate all 30 hours Free Childcare codes. Once you have registered and been trained on the use of the Early Years Provider Portal, you can then start validating the 30 hour codes that you have received from your parents. A detailed guide to using the Early Years Provider Portal is available on the hub page at <https://thehub-beta.walthamforest.gov.uk/early-years-provider-portal> Once you have completed and submitted the information, the system will confirm the validity of the code. In cases where 30 Hour entitlement is split between 2 FEEE providers, both providers are required to validate the Code (DERN).
- 2.3.6 Parents must complete all sections of the Parental Declaration Form, providing details of the provider names and FEEE hours taken up at each provider. A detailed step by step guide on how to validate and revalidate 30 hour codes (DERN) can be found in the “User guide” on the Hub page at <https://thehub-beta.walthamforest.gov.uk/early-years-provider-portal>
- 2.3.7 Parents must reconfirm 30 hour eligibility every term<sup>13</sup>. Each validated and re-validated 30 hour code will produce three dates:
- a ‘validity start date’ - when it was issued;
  - a ‘validity end date’ – the parents deadline for reconfirming; and
  - a ‘grace period’ – the Last date they will be funded for extended 15 hours.
- 2.3.8 Providers must revalidate 30 hour codes (DERN) on the Provider Portal every term once parents have reconfirmed eligibility through their HMRC Online account. Validity end dates can be tracked effectively through the Early Years Provider Portal to assist providers in monitoring the validity of each code (DERN).
- 2.3.9 The LA will complete batch checks of all eligibility codes throughout the year; this will clarify whether parents are still eligible or they are no longer eligible for extended hours. If LBWF establishes that a parent has fallen out of eligibility, the provider will be notified in order to take appropriate action. Providers must ensure their Pupil Registers on the Early Years Provider Portal are updated regularly to ensure that the LA are aware of where children are taking up their place and their eligibility cease dates can be tracked.

The table below outlines the key dates for reconfirming eligibility.

---

<sup>13</sup> Via the parents HMRC Childcare Choices online account

Validity End date, as provided to parent by HMRC via on-line account:	Parents to reconfirm eligibility codes on HMRC on-line account by:	Grace period end date/ Placement cease date:
1 Jan – 31 Mar	31 Mar	31 Aug
1 April - 31 Aug	31 Aug	31 Dec
1 Sep – 31 Dec	31 Dec	31 Mar

2.3.10 If a parent is no longer eligible for the additional FEEE hours for working parents, they are still entitled to the 15hrs per week universal entitlement and can purchase additional hours should they wish to.

2.3.11 If the parents circumstances change and they gain employment again they can reapply via their HMRC online account for a new eligibility code for the 30hrs/working parent's entitlement.

2.3.12 Eligible parents can access up to 30 free hours (between 15 and 30 hours) per week over a minimum of 38 weeks in each 12 month period from the date at which the entitlement starts. This equates to a maximum of 1140 hours per year. The entitlement can be 'stretched' over more than 38 weeks; however this will reduce the number of hours that can be provided each week. The table below outlines the max number of hours that will be paid for over a 'stretched' offer if a parent takes up their full entitlement:

Number of weeks per year	Hours per week (rounded to nearest 30 mins)	Total hours per annum
51.8 / 52*	22	1140
51	22.36 (22hrs 22min)	1140
50	22.80 (22hrs 48min)	1140
48	23.76 (23hrs 46min)	1140
38**	30	1140

\* Full calendar year

\*\* Academic year minus 5 inset days

## 2.4 Two year old FEEE payment

2.4.1 Providers who meet the criteria to deliver places as outlined in the **EYSFF PAYMENT TERMS AND CONDITIONS** agreement will receive the hourly rate, outlined in 1.9.1, for every eligible child they provide with a place.

2.4.2 **Providers must ensure that they have obtained an eligible unique reference number for all children taking up a 2 year old FEEE place which must be documented on the parental declaration form as well as the Early Years Provider Portal (in the notes section).**

- 2.4.3 **Payments will not be made to providers who have failed to confirm that the unique reference number** provided to them by the parent/carer requesting the place is valid, and that they are entitled to a FEEE place. Regular checks will be carried out by LBWF to establish eligibility of children whose details are submitted by the Provider on Early Years Provider Portal. Any payments made in respect of children who are not eligible as part of these checks will be deducted from the next available payment to the provider.
- 2.4.4 Parents who are eligible under financial criteria who have checked their eligibility via the Early Years Parent Portal will have a unique reference number produced by the system.
- 2.4.5 **Eligibility URNs must be checked by the provider to confirm eligibility and, once confirmed, must be entered onto the parental declaration and on the child's record in the notes section in the Early Years Provider Portal.**
- 2.4.6 **Children who are eligible under the Looked After, Adoption, Residence or Special Guardianship Order or in receipt of Disability Living Allowance,** should provide documentary<sup>14</sup> evidence of this to the provider.
- 2.4.7 The eligibility for the free early education entitlement for two year olds has been extended to include the following eligible groups:
- Children of Zambrano carers;
  - Children in families granted immigration leave on the basis of Article 8 of the European Convention on Human Rights (ECHR) and subject to a condition that they have no recourse to public funds;
  - Children of families supported under section 4 of the Immigration and Asylum Act 1999 ("the 1999 Act");
  - Children of families supported under section 17 of the Children Act 1989 who also have no recourse to public funds.
- 2.4.8 Prior to offering a place to a child eligible under one of the groups outlined in 2.4.6 or 2.4.7 above, providers should upload the documentary evidence to the child record on the Early Years Provider Portal and notify the LA with an email to [childcare@walthamforest.gov.uk](mailto:childcare@walthamforest.gov.uk). Eligibility will then be checked by LBWF and, once confirmed, a unique reference number will be given to the provider. This unique reference number must be entered onto the parental declaration and Early Years Provider Portal.
- 2.4.9 Failure to update the Early Years Provider Portal with the appropriate eligibility reference number will result in a delay in payment.
- 2.4.10 Payments will be made in respect of FEEE hours provided to children with the D.O.B outlined below in the relevant headcount period:

---

<sup>14</sup> For Looked After Children- written confirmation from child's social worker. Adoption, Residence or Special Guardianship - copy of the Certificate/ Order. Disability Living Allowance- copy of 2023/24 benefits letter

## 2.5 Two, three and four year old FEEE payments

2.5.1 Payments will be made in respect of FEEE hours provided to children with the D.O.B outlined below in the relevant headcount period:

<b>Schools &amp; PVI Sector</b>	<b>Summer Term 1<sup>st</sup> Apr-31<sup>st</sup> Aug 23</b>	<b>Autumn Term 1<sup>st</sup> Sept-31<sup>st</sup> Dec 23</b>	<b>Spring Term 1<sup>st</sup> Jan-31<sup>st</sup> Mar 24</b>
3 & 4 Year Olds with a D.O.B between	1 <sup>st</sup> Sep 18 to 31 <sup>st</sup> March 20	1 <sup>st</sup> Sep 19 to 31 <sup>st</sup> Aug 20	1 <sup>st</sup> Sep 19 to 31 <sup>st</sup> Dec 20

<b>Schools &amp; PVI Sector</b>	<b>Summer Term 1<sup>st</sup> Apr-31<sup>st</sup> Aug 23</b>	<b>Autumn Term 1<sup>st</sup> Sept-31<sup>st</sup> Dec 23</b>	<b>Spring Term 1<sup>st</sup> Jan-31<sup>st</sup> Mar 24</b>
2 Year Olds with a D.O.B between	1 <sup>st</sup> Apr 20 to 31 <sup>st</sup> Mar 21	1 <sup>st</sup> Sep 20 to 31 <sup>st</sup> Aug 21	1 <sup>st</sup> Jan 21 to 31 <sup>st</sup> Dec 21

2.5.2 Due to the number of 3&4year old children that may start at some settings in September, particularly in schools where there are 2-3 form entries, payments will be made from the term start date in September 2023, and not the actual start date to facilitate a phased transition. This transition period ends 2 weeks after the beginning of term. The actual start date will be used for all children with a start date after the 2 week transition period.

## 2.6 FEEE payments reception age children – deferred reception places

2.6.1 The majority of 4 year old children will be taking up a place in a reception class in a school. Payments to school in respect of children in their reception class/es are made via the schools DSG budget allocation

2.6.2 We would therefore only expect to see children on the Early Years Provider Portal from a maintained school with reception class D.O.B's where the child has formally deferred their reception place via the LBWF's school admissions service and remains in the schools nursery class.

2.6.3 A child reaches compulsory school age the term after their fifth birthday. Some parents will feel their child is simply not ready to start school in the September following their fourth birthday and there is flexibility in the admissions code to allow for this. Parents can request that:

- Their child attends part-time until they reach compulsory school age. This must be requested directly with the school once a school place has been offered.
- The date their child is admitted is deferred until later in the school year but not beyond the point at which they reach compulsory school age and not beyond the beginning of the final term of the school year for which it was made.
- For summer born children, their child is admitted outside of their normal age group.

Parents/carers must inform the LBWF's School Admissions Service if they wish to defer their child's school place.

- 2.6.4 **Providers should obtain written confirmation from the LBWF’s schools admission service that a parent/carers has formally deferred their maintained school reception place and upload the document to the Early Years Provider Portal and notify the LA with an email to [FEEEProvision@walthamforest.gov.uk](mailto:FEEEProvision@walthamforest.gov.uk).** Information regarding deferred places will be verified by the FEEE finance officer and the LBWF’s school admission service before payments are processed.
- 2.6.5 The school or PVI sector provider that is providing a FEEE place to a child who is not taking up their school reception place, can claim EYSFF payments for a maximum of 15hrs or 30hrs (if the child is eligible for extended hours) per week over a minimum of 38 weeks until they reach compulsory school age (the beginning of the term following their fifth birthday). Payments will be made up to the time the child takes up their maintained school reception place (see 2.6.3) at the rates outlined in section 1.
- 2.6.6 **The school that is holding the reception place open for a child who has deferred their place, can include the child on their reception class returns for the terms that the child attends only.** Their details must **NOT** be included on the FEEE Nursery class in Early Years Provider Portal once the child has taken up their deferred reception place. Providers must enter a last day in Nursery as leaving date on the child’s record on the Early Years Provider Portal.
- 2.6.7 Children who have been admitted to primary school and are attending a state-funded school reception class are not entitled to any additional free hours outside their school reception class place as local authorities can meet their duty to secure the extended entitlement through reception class provision.
- 2.6.8 Payments will be made in respect of FEEE hours provided to children with the D.O.B outlined below in the relevant headcount period:

**Private, Voluntary and Independent Sector (including Independent Schools)**

<b>Schools &amp; PVI Sector</b>	<b>Summer Term Apr-Aug 23</b>	<b>Autumn Term Sept-Dec 23</b>	<b>Spring Term Jan-Mar 24</b>
Reception Age Children with a D.O.B between	1 <sup>st</sup> Apr 18 to 31 <sup>st</sup> Aug 18	1 <sup>st</sup> Sep 18 to 31 <sup>st</sup> Aug 19	1 <sup>st</sup> Jan 19 to 31 <sup>st</sup> Aug 19

**2.7 Termly Data Submissions on the Early Years Provider Portal**

- 2.7.1 Providers should regularly update their Early Years Provider Portal with details of actual days of attendance for all eligible children claiming the FEEE.
- 2.7.2 Termly reconciliation of the Early Years Provider Portal will be processed in the month after the end of term.
- 2.7.3 Children’s data must be entered onto the Early Years Provider Portal at the point of admission/commencement of their place.

Updating the Early Years Provider Portal regularly in the term will allow the setting to identify whether there is a significant variance (**increase or decrease of 5 children or more for schools and setting and any increase or decrease for childminders**) between the hours that they predict they will provide, and the hours on which their monthly payments have been based.

If this is the case, settings should **contact the LA to advise asap** so that monthly payments can be adjusted during the headcount period to reflect the predicted increase/decrease. This will avoid significant under/overpayments when the termly data analysis is completed at the end of the funding period.

- 2.7.4 Each individual settings monthly budget can be calculated using the estimated FEEE budgets that can be found in Appendices E to G that were presented to Schools Forum in February 2023. These can be found at: <https://thehub-beta.walthamforest.gov.uk/early-years-financial-guidance>
- 2.7.5 If any reconciliation exercise results in a need to adjust a Provider's monthly payment or to claw-back overpayments, payments will be adjusted in the following term.
- 2.7.6 Providers **must** ensure that all children taking up a 2 year old or 30 hours FEEE place have unique eligibility numbers which **MUST** then be documented on the parental declaration form as well as the Early Years Provider Portal.

## **2.8 Funding to support disadvantaged, vulnerable and SEND children**

### **2.8.1 Disability Access Fund (DAF) payments**

- 2.8.1.1 **Children who are eligible for DAF funding** should provide documentary evidence of this to the provider. Providers should upload this documentary evidence<sup>15</sup> to the child's record on the Early Years Provider Portal and notify the LA with an email to [FEEEPvision@walthamforest.gov.uk](mailto:FEEEPvision@walthamforest.gov.uk). Eligibility will then be checked by LBWF and, once confirmed, a unique reference number will be given to the provider. This unique reference number must be entered onto the parental declaration and Early Years Provider Portal. A detailed Step by Step guide on how to claim DAF funding is provided in the "User Guide" on the Hub page at <https://thehub-beta.walthamforest.gov.uk/early-years-provider-portal>

### **2.8.2 SEN inclusion Funding (for children NOT on an EHC Plan)**

## 2.8.3 Early Years Pupil Premium Payments

2.8.3.1 EYPP payments will be made to Providers in line with 1.7 above.

2.8.3.2 Provider will receive £0.62 pence per hour for every eligible 3 & 4 year old child (DfE criteria) taking up a place and whose details are submitted on Early Years Provider Portal between 1<sup>st</sup> of April 2023 – 31<sup>st</sup> of August 2023. A new EYPP rate of £0.66 pence per hour will be paid for each eligible child from 1<sup>st</sup> of September 2023 – 31<sup>st</sup> March 2024.

2.8.3.3 Providers must ensure that **all** children taking up 3-4yr old FEEE place that are eligible **under financial criteria** for an EYPP payment have been assessed through the Early Years Provider Portal and documented on the parental declaration form. Further information on eligibility checking can be found at: <https://thehub-beta.walthamforest.gov.uk/early-years-funding> . A detailed Step by Step guide on how to assess for EYPP Eligibility on the Early Years Provider Portal is available in the “User Guide” section on the Hub at <https://thehub-beta.walthamforest.gov.uk/early-years-provider-portal>

2.8.3.4 **EYPP payments will not be made to providers who have failed to confirm eligibility through the Early Years Provider Portal.**

2.8.3.5 Parents who are eligible under the Looked After, Adoption, Residence or Special Guardianship Order, should obtain documentary<sup>16</sup> evidence of this. This documentary evidence should be uploaded to each eligible child’s record on Early Years Provider Portal. The LA will then confirm eligibility and provide a unique reference number. This unique reference number must be entered onto parental declaration form and recorded in the Early Years Provider Portal. A detailed Step by Step guide on How to upload documents to Early Years Provider Portal is available on the “User Guide” section on the Hub page at <https://thehub-beta.walthamforest.gov.uk/early-years-provider-portal>
