# Best Start In Life Timetable

What's on for under-5s at your local Family Hub area

Sessions are subject to change, especially during the summer holidays. See **walthamforest.gov.uk/events** for up-to-date sessions.

## Family Hub locations

Best Start in Life activities take place in Family Hubs, libraries and community spaces across the borough.

We have divided the session timetable into four Family Hub sections to make it easier for you to find activities near you. Each section has a map with a full list of Family Hub spaces.

Family Hub Phoneline 0208 496 4965

Open Monday to Friday 9am to 5pm

Our free Family Hub phoneline offers impartial support and advice to families with children living in Waltham Forest.

It also offers support to young people aged up to 25 years old.

Your baby's first social group! Have fun meeting other families with babies, share experiences and learn how to support your child's development in a fun and relaxing environment. You can join in from pregnancy until your baby is crawling.

### Young Parents' Group

A great place to meet other parents aged under 25 through four weeks of sessions for parents and their children under the age of 5. Each week has a different theme/activity. For more information email: familysupport@tlpcc.org.uk or call 0208 527 1737.

### Health and wellbeing support

These sessions are focused on promoting your baby's or child's health and wellbeing, or to help you with your own health and wellbeing goals.

### **Baby Feeding Circle**

Come and connect with other parents while your baby feeds, supported by our Infant Feeding trainee.

### Baby Massage

You will learn how to massage your baby safely during this weekly five-session course. Massage offers benefits such as bonding, calming your baby, improving sleep, aiding digestion, and enhancing circulation. We recommend you start after your baby has had their six checks and when your baby is content and alert. For booking details go to www.lloydpark.eventbrite.com.

#### **Child Health Clinic**

Get your baby or child weighed, or speak to a member of the Health Visiting Team in one of our friendly and welcoming Child Health Clinics. (Please note that the Child Health Clinic is not open on Bank Holidays.)

You can also collect your third bottle of Healthy Start vitamins for your baby at a Child Health Clinic. Find out more at bit.ly/healthystart-WF

These drop-in sessions give families the opportunity to ask questions about their child's health, growth or development. Please bring your baby's red book when attending the clinic.

The Health Visiting team offers contacts as part of the Healthy Child Programme, and all children are offered appointments for health and development reviews within the Family Hubs. These appointments are offered when your baby is over one year old, and again after your child turns two.

The health review provides the opportunity to review your child's development and discuss any questions you may have about their health, growth and behaviour. Our staff are trained to support and advise families about staying healthy, supporting your child's play,

development, behaviour, sleep, dental care, immunisations, and minor ailments. You can learn more about the Best Start in Life offer, and the wider opportunities available for your child within the borough, including access to childcare and specialist services if required.

At your 2 to 2-and-a-half year review, you will also receive our Best Start in Life pack, containing information, resources and a gift for you and your child.

If you have not been contacted for a one-year health review when your child turns 15 months, or their 2 to 2-and-a-half-year review when they turn 27 months, you can call the 0-19 team 0300 033 6200 or email

**thgpcg.wf0-19spa1@nhs.net**. If you are unable to attend the offered appointment, please contact us and we can rearrange for you.

To find out more about service, or to speak to a Duty Health Visitor, call 0300 300 6200.

#### **QuitRight Waltham Forest**

Our specialist advisors can help find a treatment option that is right for you, making it even easier to quit smoking and beat the cravings. You can self-refer through the QuitRight webpage: quitrightwf.org. Call 0207 882 8230 to book, or simply walk in.

### Speech and Language Support Drop-In

If you have any concerns about your child's speech, language, or communication, you can visit one of our drop-in sessions to speak with a Speech and Language Therapist - no appointment needed.

When you arrive, there may be a short wait, but there will be toys for your child to play with. Your session will last about 15–20 minutes. During this time, the therapist will listen to your concerns, observe your child as you play together, and suggest ways to support their communication at home, building on what you're already doing and offering new tips.

### Sessions to support children with Learning and Developmental Delay and/or SEND

Children develop at different rates, and some may face challenges in their learning. Our learning and development delay and SEND support helps families access the right information and assistance early on. Early identification is key to addressing long-term needs effectively. If you're concerned, speak to your GP, Health Visitor, or your child's nursery for guidance and support.

### Cygnet

This programme is for parents and carers of children aged 5 to 18 with an autistic spectrum condition. It will increase your understanding of autism, help you learn how your child experiences the world, and explore what drives their behaviour. You'll receive ASC resources and have the chance to connect with other parents and carers who share similar experiences.

Referral and self referral only. Call **07586713368**, email: **gemma.akinade@walthamforest.gov.uk** or visit: **bit.ly/cygnetcourse** 

### Learning together: Pre-school

These fun, stimulating and interactive play activities give your children a space to learn and socialise safely, while their needs are met and their progress supported.

An allocated key person as well as health and/ or education professionals will support parents and carers with individual learning plans. Referral needed by a health or education professional for the Early Years Inclusion Pathway.

### **Sensory Play**

Calm sensory-based sessions for children from birth. The sessions include activities that stimulate a child's senses: touch, smell, taste, sight, and hearing. We aim to help children explore naturally through play, at their own stages of development. These sessions also allow parents or carers to meet new friends and share knowledge and experiences. All sessions are inclusive and provide a range of activities that are appropriate for children of all abilities. This is a free drop-in session; booking is not necessary.

### **Family Support**

These sessions are aimed at parents and children who may be having a difficult time. All sessions are run by skilled staff who are able to provide advice and information and signpost to other family support services.

#### **Buddies**

Are you finding life tough at the moment? Are you expecting, or do you have a child under two? A friendly HENRY Buddy will keep in touch regularly by telephone to help you through the challenges of adjusting to family life. Buddies can support you over a few days or weeks and when you need it. They'll listen, provide support, and offer practical ideas.

Get in touch with HENRY to book your place: 0208 496 5223 / wfsupport@henry.org.uk.

#### **Citizens Advice**

Citizens Advice is a one-stop shop for residents in need of support. They offer a range of services including debt management, benefits, employment, immigration, and housing. Call **0808 278 7838** for advice and to make a booking.

### **Community Drop-In**

An informal space where adults get friendly support and information from local volunteers, community organisations and Waltham Forest Early Help teams. This includes information about local services, support for parent, community activities and help to use online services.

### Fathers' Wellbeing support

We provide both 1-1 support and group support, face-to-face counselling, and online sessions, depending on your work and lifestyle schedules. 1-1 support addresses emotions, thoughts, and behaviours. Explore their impact on your life and provide strategies to reframe thinking patterns and manage stress. Fathers' Support Group helps you to connect with other fathers and learn from shared experiences, aiming to enhance your relationship with your child and strive to become a better father. Sessions are available to expectant fathers or those with children under the age of 2 years residing in Waltham Forest.

Contact familysupport@tlpcc.org.uk for more information.

#### **Flourish**

A support group for mothers who are finding the transition into motherhood not to be as they expected. A chance to talk and share with other mothers feeling the same and learn to have fun with their baby. For bookings or more information visit tlpcc.org.uk or call 0208 527 1737 or email: familysupport@tlpcc.org.uk.

### Peer to Peer Support Group

For parents/carers of children aged 0 to 18. A chance for you to meet other parents/carers, and talk through successes and challenges.

### The Parents Lounge: Break Tha Cycle

A safe space for parents to discuss topics that affect them, to make new friends, and create a parent community. A space by parents for parents. For more information, contact 07535 280 467.

### Save money and eat well with a Healthy Start card!

If you're pregnant or have a child under four, you could get a **Healthy Start card** to help with the cost of milk, fruit, vegetables, and free vitamins. The card is topped up every four weeks, and how much you get depends on your child's age.

You could get £4.25 a week from the 10th week of pregnancy, £8.50 a week until your baby turns one, and £4.25 a week for children aged one to four.

If you're on certain benefits, like Income Support or Child Tax Credit, you might qualify. Families who don't apply could miss out on up to £1,200 to spend on food and milk. Check today to see if you're eligible!

### **Getting School Ready**

Your child going to school for the first time is one of the most exciting (and nerve-racking) parts of your parenting journey!

Starting school is an exciting milestone for both you and your child! Every child develops at their own pace, but here are key areas to focus on for a smooth transition. Don't forget to prepare yourself for this transition as well.

### **Self-Care Independence**

Encourage your child to dress, wash. and eat independently. Can they put on and take off their clothes and shoes? Use a fork, knife, and spoon? Visit our website for tips on building these skills.

### **Toilet and Potty-Training**

Can your child use the toilet and wash their hands independently? Potty training is a big milestone, and every child learns at their own pace. Follow our three-step 'Let's Go Potty' approach, on our website, for support.

> If you have concerns about your child's development, contact the Health Visiting team at 0300 033 6200 or visit your local Family Hub.

### Oral Health

Is your child registered with an NHS dentist? Brushing twice a day is an essential habit as they grow. The HENRY team in Waltham Forest offers free oral health workshops and updates on NHS dentists accepting new patients.

### **Immunisations**

Check if your child's vaccinations are up to date to protect against illnesses like flu, measles, and whooping cough. If any vaccines were missed, contact your GP. Find the full vaccine list on p49 of this timetable.

### **Learning Together Project**

This programme, created by teachers and speech therapists. offers fun home activities to support your child's development before school. Access it via our website.
