OUR TRAINING APPROACH

Each training subject consists of 3 tiers –
we recommend engaging with the tiers in order:

TIER 1

Guidance documents

Read these first for key information and advice about the training subject.

TIER 2

Recorded webinars

Watch these in staff meetings or individually. There are opportunities to pause, reflect, & discuss.
At the end, you will be prompted to create an action plan.

TIER 3

Virtual or In-person sessions

These are opportunities to ask questions & share practical cases with Early Years experts and professionals.

We offer project based trainings e.g. Nurture & Thrive, Being Two, Sing our Story, these run over multiple days, you must attend all the days to receive your certificate.
